

SITE Open Call: extra summer residencies July 5th – August 8th 2021

The residencies are open to professional artists, groups and individuals, in need of working space in a dance studio or Blackbox for production and/or research work during summer 2021.

We offer working spaces free of cost in our studios and Blackbox at SITE, Telestaden, Farsta, Stockholm. [Here](https://sitesweden.se/black-box-och-studios/) you find details about the spaces <https://sitesweden.se/black-box-och-studios/>

SITE summer residencies 2021 include:

- Free studio time for a continuous period, from one week and more, during the period July 5th – August 8th 2021. Not single days spread out.
- Access to office, meeting rooms, kitchen/lounge, changing rooms with showers and wi-fi.

Please note that the residency does not include fees, travel costs technical support or other resources. SITE has a limited staff present during summer.

Selection, if needed, is done on a first come basis and to maximize the use of the spaces.

We will answer within one week from that the application is received by SITE.

The time periods will be distributed until the spaces are fully booked.

Applications should be sent to info@sitesweden.se and include:

- name(s) of applicant(s) and number of persons in the group.
- short description of your project/work, max 1000 char.
- describe your needs of space(s) and possible time periods, if the periods are set or flexible, and your priorities between the spaces and/or time periods.

Questions and more information? Please contact:

Emelie Johansson, Project Manager, SITE, +46(0)70 – 471 23 85

SITE extra summer residencies 2021 are supported by The Swedish Arts Council.

About SITE:

SITE is a production space for contemporary performing arts.

SITE works with professional emerging artists and develops projects that strengthen the field, as well as providing services such as studio, office, residencies and free guidance for artists to increase their skills in production and management in art.

In Farsta we have established *Konstverket*, a 3700 sqm interdisciplinary production house for art, founded by SITE together with KKV - *Artists Collective Workshops*. In our shared kitchen artists from various disciplines meet every day.

SITE/Konstverket, Mårbackagatan 11, hus H, 123 43 Farsta.
