## **About SITE**

SITE is a production space for contemporary performing arts, focusing on dance.

Together with Konstnärernas Kollektivverkstad, KKV, we established *Konstverket*, a 3700 sqm interdisciplinary production house for Arts production in Farsta.

SITE works with professional emerging artists and develops projects that strengthen the field, as well as provide services such as studio, office, residencies and free guidance for young or developing performing artists to increase their skills in artistic production and management.

The logo for SITE consists of the word "SITE" in a bold, black, serif font. The letters are centered between two thick, horizontal black bars, one above and one below the text.
